

Magellan Rx Cares

Every once in a while we all need a little support. Someone who can answer questions, provide guidance, and help you navigate life's challenges. That's why we created Magellan Rx Cares.

Supporting your unique needs

At Magellan Rx Management, we understand your health care needs are unique. Our Magellan Rx Cares program is led by specially trained nurses and pharmacists who are experts in helping you understand your condition. Our dedicated Health Coaches will work with you one-on-one to help manage your therapy and answer questions you may have.

As part of the program, you will receive:

- A comprehensive Welcome Kit with information about your condition
- Monthly calls, or more if needed, from your personal Health Coach who is a specially trained nurse.
- Help in setting personal, achievable and actionable goals
- Education & support to enhance your understanding and appropriate use of medications
- Monthly refill reminders
- Access to community resources and patient assistance programs
- 24/7 access to pharmacists and highly trained nurses

Magellan Rx Cares is available for the following conditions:

- Multiple Sclerosis
- Hepatitis C
- Hemophilia
- Oral Oncology
- Rheumatoid Arthritis
- Crohn's Disease/Ulcerative Colitis
- Psoriasis
- Human Immunodeficiency Virus (HIV)
- Hypercholesterolemia-PCSK9 Therapy Management
- Psoriatic Arthritis

We are here to help!

If you receive a medication through Magellan Rx treating one of the conditions listed above, you will be automatically enrolled. Contact us today at 1.866.554.2673 or visit us online at magellanrx.com/cares to learn more valuable information regarding your therapy and treatment.

We look forward to being your partner in better health.
